

## 472 ALPENROSE FELLENBERG

From the parking lot at the entrance to Zillergrund, approx. 1.8 km via the toll road to the Alpenrose-Stadelbach junction. This is the starting point for the actual route to Alpengasthaus Alpenrose, which, on a well-developed gravel road, through high-trunked spruce forest and through the rushing Ahornbach leads, after a moderately steep trip, to Alpenrose hut (alpine hut). The remaining metres to Alpenrose alpine farm are then surprisingly easy, comforted by the knowledge that a tasty snack awaits. Magnificent panoramic views of Mayrhofen more than compensate for the efforts required. You can then enjoy a relaxed and somewhat speedier return journey, freewheeling back down the same route.
