

ALPINE PASTURE HIKE BICHL - ALTE KOTAHORNALM

From the bus-stop (Dörferbus) Bichl, follow path no. 51. After the farmhouse “Brindling” stay at the forest trail and follow signs for path no. 51. The last part is steeper and takes you up to the Kotahornalm (1624m).

As from Brindling, stay on the forest trail following signs for path nr. 51. The last section leads up to Kotahornalm (1,642 m) along a steep trail. The starting point is at the „Bichl“ bus stop for the Dörferbus. The hike leads off to the right into the direction of Wurzen Max. At the junction turn right. Now keep going on the asphalt road. On the right side there are two huts - shortly after these there is a sharp left-curve. Here you can see the signs Sonnalm-KotahornAlm-Gerlosstein Weg Nr. 51.

Stay on the forest trail - there are plenty of signposts at every junction and great views can be enjoyed. The forestry trail ends at a river and a narrow path begins that takes you in just under half an hour to “Kotahornalm”. If you look down into the valley, Panoramapath nr. 50 takes you to the Karlalm - Steinerkogel (1263m) to Brandberg. You will see signs for Gerlosstein-Gasthaus and Bergstation der Gerlossteinbahn (top terminal of the Gerlosstein cable car) on the right. The same trail leads to the New Kotahornhütte and below the trail to Sonnalm (top station of the Ramsberg chairlift) - Ramsau 3/4 hour.
